November Program

Stephen Moffitt presented an informative slideshow on catasetums. He shared many interesting facts and background information, as well as growing tips for successfully growing catasetums. We appreciate the time he put into preparing such an interesting presentation.

December Meeting

Our December meeting will be our annual GBOS Christmas Party. Everyone is asked to bring a covered dish and be ready for an exciting evening of bingo. Larry Baker has seen to it that all winners (everyone!) will receive a beautiful orchid. Thank you Larry for overseeing this!

Our next Novice Orchid Growers Group meeting will be Sunday, January 19.

The meeting will take place at 2PM in the home of Wendy Kane, 302 Houston Ave, League City. We hope to see lots of newcomers this month!
